

## IDEAL GAME VIEWING

**June, July, August** (winter months).  
If you want to see new-born animals,  
then **September/ October** is the  
best time to visit.

## THE FAMOUS SARDINE RUN

The famous Sardine Run is a unique natural phenomenon where millions of sardines travel from the Cape to Kwa-Zulu Natal and cause a feeding frenzy that attracts thousands of predators such as sharks, dolphins, whales and birdlife: **Between May and July.**

## FLOWER SEASON

Wake up and smell the wild flowers in the Cederberg: **September and October.**

## WITNESS PRETORIA PAINTED IN PURPLE,

as 70 000 Jacarandas start blooming in spring each year: **September to mid-November.**

## WATCH THE WHALES

blow, breach, lobs tail or spy hop along the Western Cape Coast: **July and August** are the best times (typically occurs between June and Nov).

## WHEN THE DESERT BLOOMS

Witness the transformation of the usually desert-like Namaqualand into a colourful daisy wonderland: **August and September** are the best times to go.

## ROYAL REED DANCE

Experience the century-old Zulu reed dance tradition in Zululand, especially if you're looking for a rich cultural experience: takes place in **September** every year.

## GO FLY-FISHING

**Spring and autumn** are also the best times to go fly-fishing.
